

# Walking WITH Christ in 2021!

***“Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith,...” - Hebrews 12:1-2a***

Make some time to intentionally look forward to 2021 in light of 2020.

## ***Personally AND as a Family AND Faith Family:***

### **Some things to consider:**

What were the lowlights and hard things last year?      What were the highlights and clear blessings last year?  
What hopes and dreams do you/we carry into this new year?      What do you hope to see happen this next year?  
What things do you/we pray for God to do within us this next year?      What are your/our fears with this next year?  
What did you/we see God doing last year (in your personal life, family, work, community, church, etc.)?  
What is unresolved from last year? What pains, struggles, and doubts do you/we carry into this coming year?

Ways He has shown Himself faithful to you/us in the past year—

Ways you/we have grown in Him in the past year—

Now turn your attention to intentionally walking into 2021 WITH Jesus.

## ***Personally AND as a Family AND Faith Family:***

### **Some things to consider:**

Think through your daily habits, routines, time-consumption, spiritual disciplines.  
What is my flesh telling me about these things?      What is God’s Word and His Spirit telling me about these things?

*Things I would like to improve on—*

*What I would like to do more of—*

*What I would like to do less of—*

*Goals I would set for the coming year, tangible and intangible—(on the next page)*

# Getting INTENTIONAL about your walk WITH Jesus in 2021

**To try to live a life IN Jesus, or do things FOR Jesus, we must be WITH Jesus!**

**What should that look like?** (Remember, we are people of habit - so build Godly ones)

Ideas for **engaging with unchurched people** to enter into discipleship relationships with them.

**How can you remember where you're headed?**

What is the big-picture goal for your own discipleship growth. After you think and pray through these questions, try to highlight any recurring themes. As you see them, turn it to a positive statement or goal.

**What verse or passage can you claim from God's Word for the coming year?**

For you, your family etc. find a verse that speaks to where you see God taking you as you walk WITH Christ in 2021 and beyond. Find creative ways to keep this ever present before you on this journey with Jesus.

**Who will you tell?**

Consider sharing what you've discovered and are committing to this next year with a close friend, spouse, mentor, etc. Ask them to pray through it with you and continue to check in with you throughout the year.
